

## **Journeyman Millwright**

### **Wolverine Mine, Yukon**

Yukon Zinc Corporation has an immediate need for an experienced **Millwright** at its Wolverine Mine in the southeast Yukon Territory.

#### **Make Wolverine Mine your next career choice!**

- ✓ *A new team for a new mine creates opportunities for professional achievement*
- ✓ *A commitment to values: Safety, Integrity, Respect, Accountability, Prosperity, Collaboration*
- ✓ *Charter flights direct to site from Whitehorse, Vancouver and Prince George...currently with pick up points in Campbell River, Smithers, Terrace, Watson Lake and Ross River.*
- ✓ *Company supported travel to the charter's pick up point*

#### **Responsibilities**

Reporting to the Surface Maintenance Supervisor our Millwrights play a key role on the maintenance team for ensuring safe, efficient, and effective operations of surface and underground equipment. More specific responsibilities include:

- Inspect machinery and equipment to detect and investigate existing and potential irregularities and malfunctions.
- Small hydraulic components and submersible pumps associated with underground mining
- Adjust machinery and repair/replace defective parts.
- Maintenance of cement batch plant machinery.
- Work closely with the Underground Management and contractor to schedule and perform routine maintenance.
- Demonstrate effective safety leadership

#### **Requirements**

- Interprovincial (Red Seal) certification with underground mine experience
- Fabrication and welding skills.
- Demonstrated experience with troubleshooting and repairing pumps and small hydraulic equipment
- Excellent work ethics and demonstrated record of safety leadership.
- Able to work a 2 week x 2 week rotation. Northern climate experience preferable.
- Consent to a pre-employment medical examination which includes a drug & alcohol screening

Wolverine is a “dry camp”, fly-in/fly-out underground mine operation. The minesite is located midway between Ross River and Watson Lake on the Robert Campbell Highway and is approximately 280 km by air northeast of Whitehorse.

Interested and qualified candidates should send their resume via email to [careers@yukonzinc.com](mailto:careers@yukonzinc.com), or by fax, toll-free, at (866) 887-7517. We thank all applicants for their interest; however, we are only able to contact those who have been shortlisted.
